

Delphine RUSSEIL (48 years)

Associate Professor in Physics

Phone : 33(0)495044130, delphine.russeil@lam.fr

Research domains :

Galactic structure, Galactic Interstellar medium and star formation, Optical, Infrared and sumillimeter domains.

Education :

2013 Habilitation à Diriger des Recherches, Aix Marseille Université, France

1998 PhD in Astrophysics, Université de Provence, France

1994 Master in Physics, Université de Provence, France

1989-1993 : Physics, Université de Provence, France

Teaching and Research experience :

Since september 2000: Assistant professor - Aix Marseille Université

1999-2000: Post-doc Helsinki Observatory, Finland

1998-1999: Post-doc AAO-Siding Spring Observatory, Australie, AAO-UKST

1997-1998 : ATER Université de Provence, France

Research projects :

Scientific participation to : Herschel key projects (HOBYS, Hi-GAL), ANR Probes, ANR TUMSE and FP7 VIALACTEA

Mentoring

1 PhD (J. tigé, 2014), 1 post-doctoral researcher, 4 Master students, 1 research engineer.

PhD Jury member

3 as examiner (M. Figueira, 2017, L. Ciesla, 2012, S. Zhang 2020)

2 as referee (M. Beuret, 2016, C. Faure, 2014)

Publications

167 articles (125 A-ranked), h-index=39
